# **FORKSEAL HSS**

## **High security bar**

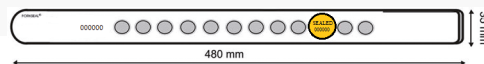

### **Locking system**

Reliable system for container doors blocking which match together both doors locking bars.

The fork is drilled in a regular way to put the safety seal in the most precise closing position. We cannot open the doors of the container without having cut the locking system.

Characteristics :

- Galvanised steel.
- ISO 17712 : 2013 –HSS seal approved by US/UK customs.
- Sequential numbering (6 numbers) on bar, seal and nail.
- Packaging : 25 pcs per box.
- Box dimensions : 50\*20\*15 cm / 15kg.
